GENERAL INFORMATION

ADVISEMENTS

DECK PLAN

PASSPORTS

Oceania Cruises requires all travelers to have a valid passport. All itineraries require that passports are valid for six months beyond the completion of your travel. For information on obtaining or renewing a passport, visit your local passport agency. Passport cards or copies of passports are not accepted.

VISAS

Visa requirements for U.S. and Canadian citizens are listed on each guest's Cruise Vacation Summary under "Cruise Details." All other nationalities, including those with U.S. or Canadian resident status, are responsible for verifying visa requirements for each port visited during the cruise. **IMPORTANT** | Visa and documentation requirements vary by destination and change from time to time without prior notice. Guests should check with the consulate of each country they will visit or a visa service to verify current regulations. It is the guest's responsibility to have proper travel documentation. This information is provided as general guidance. Because governmental travel requirements change periodically, we strongly recommend you check with your Travel Advisor or the government authorities for all countries you will visit to determine or verify the actual requirements at the time of sailing. Oceania Cruises assumes no responsibility for advising guests of such requirements.

MONEY MATTERS

For your convenience, we offer a cashless system on board. All onboard purchases and services will be billed to your onboard account. You will simply present your Oceania Cruises World Card whenever purchases are made. To activate your onboard account, you will be required to register a credit card during embarkation or at Reception on board. Oceania Cruises accepts American Express, MasterCard, Discover and Visa. Personal checks are not accepted. If you wish to settle your account with travelers checks or cash, you will be asked to make a cash deposit at Reception. The U.S. dollar is the standard currency for all transactions on board. In order to realize the best exchange rate overseas, we suggest that you take advantage of the ATM machines located in many of the ports of call. Cash advances are also available at Reception. A daily limit of \$500 per registered credit card can be billed to your credit card for a 5% transaction fee.

ONBOARD DRESS

The ambiance on board is casual yet elegant throughout the cruise. Country club and resort-style attire are appropriate for both men and women. In all evening dining venues, we request that guests adhere to the country club casual dress code. Shorts, casual jeans, t-shirts, athletic footwear and sandals are not permitted in

The Grand Dining Room, Toscana or Polo Grill. However, as Terrace Café and Waves Grill exude a resort-casual ambiance, dressy shorts and casual shirts may be worn at these venues. Tank tops and swimsuits are not appropriate attire for any of our onboard restaurants at any time.

We recommend casual and comfortable attire when going ashore, with a particular emphasis on appropriate footwear, including good walking shoes and in some destinations, reef-walkers and beach sandals. Some tourist sites may require specific attire. Please consult with Destination Services located on Deck 4 for more information.

BAGGAGE POLICY

You may bring a reasonable amount of luggage aboard the ship. Luggage must be handled under and in compliance with regulations and tariffs of airlines, government security requirements and ground operators. Luggage exceeding these limitations, either in weight or size, will be subject to additional charges as set forth by the individual operators, including any excess baggage charges. Oceania Cruises reserves the sole right to refuse the boarding of any items that it may consider dangerous (e.g., explosives, firearms, liquid oxygen, combustible or illegal items). Oceania Cruises reserves the right to search any baggage for security reasons at any time. All hand-carried luggage and personal effects are your sole responsibility at all times. Oceania Cruises is not responsible for the loss of, or damage to, your luggage and your personal belongings. The purchase of baggage insurance is recommended. Luggage and all personal belongings will be taken off the ship upon disembarkation. Under no circumstances will luggage be allowed on board without the owner of such luggage being a guest of the ship. Please refer to the Guest Ticket Contract included with the guest Cruise Vacation Summary for all applicable Terms and Conditions.

ADVISEMENTS

CHILDREN | Although Oceania Cruises accepts guests of all ages, the unregimented lifestyle and upscale ambiance on board are designed for adults and do not provide for the care, entertainment, or supervision of children.

FOREIGN/CURRENCY TRANSACTION FEES

Banks issuing credit cards may impose "Foreign/Currency Transaction Fees" for onboard purchases for all itineraries, including transactions denominated in U.S. dollars. Oceania Cruises accepts no responsibility for foreign/currency transaction processing fees charged by credit card companies. Guests should check with their individual credit card companies for more information. None of these fees separately charged by the guests' issuing banks accrues to the benefit of Oceania Cruises.

ITINERARY VARIATIONS | All itineraries, including ports of embarkation and disembarkation, are at the sole discretion of Oceania Cruises and may be modified before and during the voyage. Oceania Cruises reserves the right to amend or make substitutions for any travel component without prior notification, including hotels, ports of call, or modes of transportation if, in its sole opinion, the situation requires a change or cancellation of arrangements. Oceania Cruises does not assume responsibility or liability for any loss, inconvenience, or expense incurred by you as a result of any changes or cancellations as detailed in the Guest Ticket Contract. When practical, we will promptly notify you of any itinerary changes.

MEDICAL CONDITIONS | If you have special medical needs or must travel with medical apparatus, such as wheelchairs, motorized scooters or oxygen therapy, you must advise the Oceania Cruises Reservations Department in writing at time of initial deposit. Please note that some ports of call may not be suitable for you if you have limited mobility and in such cases, may prohibit

wheelchair or motorized scooter debarkation. Oceania Cruises reserves the right to refuse or revoke passage to anyone who, in its judgment, is in a physical, mental or emotional condition unfit for travel or whose comfort on board may be compromised due to situations beyond the care that can be provided by Oceania Cruises. Guests requiring wheelchair assistance must bring their own standard size wheelchair (22.5" wide) as the ship's wheelchairs are reserved for medical emergencies only.

MEDICAL SERVICES | The ship's licensed physician and nurse are available for consultation during daily posted office hours. Emergency service is also available. All medical services are subject to customary charges. If you must travel with medications in large quantities, you may be required to show documentation when passing through U.S. or foreign customs. It is advisable to carry a letter on a physician's letterhead stating: (1) the full name of the drug(s), dosage per day, and quantity necessary for the period away from home; (2) the condition for which it is prescribed; and (3) that the medication is required for your well-being. We recommend that all medications be in their original container with the pharmacist's label attached and carried in your hand luggage.

SMOKING POLICY | As the safety and security of our guests, staff and ship is our primary concern, we kindly request your cooperation in enforcing our Smoking Policy. For the comfort and safety of all of our guests, Designated
